The final funcs are (for posterity)

Thanks for the help.

Posted 21 January 2005 - 03:53 PM (2005-01-21T21:53:31+00:00)

Anyway, glad you got it sorted :-)

Posted 22 January 2005 - 03:56 AM (2005-01-22T09:56:04+00:00)

That also works for convex polys (like quads, ect..).
